All Insured Banks registered with DICGC

Madam/Sir,

**Display of DICGC Logo and QR Code by Insured Banks**

As you are aware, Deposit Insurance plays an important role in protecting especially the small depositors, instill confidence in the banking system and maintain financial stability. Presently, DICGC insures deposit up to ₹ 5 lakh per depositor of a bank, in the same right and capacity. DICGC has been promoting public awareness on Deposit Insurance through its website and display of printed materials in premises of insured banks from time to time. Deposit Insurance related awareness is also being conveyed by the Reserve Bank of India through its Financial Literacy campaigns.

2. With a view to enhance the awareness about Deposit Insurance in a focused and sustained manner and in consultation with the Reserve Bank of India, it has been decided that all banks registered with DICGC shall henceforth, display the Logo of DICGC and QR code linked to the DICGC website, prominently on their website and internet banking portal. This will enable customers to easily identify banks covered by the Deposit Insurance Scheme of DICGC and facilitate timely access to information on Deposit Insurance.

3. Insured banks are, therefore, advised to display the enclosed DICGC Logo and QR code with the captions on the website and internet banking portal of the bank concerned.

4. All insured banks are advised to ensure compliance to the above requirements with effect from September 01, 2023.

5. Please acknowledge receipt.

Yours sincerely,

Anup Kumar
